The General Manager, is the management team member responsible for coordinating these efforts. A radio announcement airs several times daily on each station asking for recruitment sources wishing to receive notice of station(s) job openings.

The station has also continued its internship program with area schools and colleges implemented in 2006. The station has encouraged minorities and females to participate in this program from the following organizations: Roanoke Valley Workforce Development Program, Norfolk State University, Virginia State University, Virginia Commonwealth University, Chowan University, Halifax Community College, Shaw University, Winston Salem State University, East Carolina University, Radford University and local high schools. During this period, a student from KIPP Gaston College Preparatory School learned how to operate broadcast equipment, the production of audio commercials and trained to be a radio announcer. This internship eventually led to parttime employment.

October 14, 2016 Roanoke Rapids High School students interested in broadcasting careers were trained by station personnel and produced a live broadcast of their high school football game. The students interviewed coaches and read live announcements on the air.

October 19, 2016 First Media Radio participated in the Roanoke Valley Chamber of Commerce Mega Job Fair at Halifax Community College. The station manager explained the various career openings in broadcasting.

November 2, 2016 WPTM, WTRG, and WWDW participated in the Southside Virginia Community College Workforce Development Job Fair. The station manager attended and met with students as part of the WorkKeys Career Readiness Certification program.
